Cliffs at Broadstairs. Broadstairs was Bradstow of old, and, though it is well-known now, it wears its popularity quietly. Pretty cliff-gardens look down upon the charming bay, while in windy weather splendid seas come battering against the chalk and drive their foam against the windows of Bleak House, where Dickens lived.

Dear W.,

We walked here this afternoon. It is rather windy but the rain keeps off. My knee is the desk. Wild flowers by the way-side are very pretty so we were cold. (Chalons)
